

What has happened since our last meeting?

- The participants of this meeting spent Christmas and New Year with their families.
- The Coalition of Polish Americans quickly reacted by sending a protest letter after the new left-wing government dissolved the public television station TVP.
- Zbyszek started preparing summaries of last year's meetings, highlighting issues that we should address again.
- Zbyszek started working on the Polish version of the brochure about Poland replacing the text in the Polish Americans Contribution column with text that would be specific to Poles.
- Jonathan Silverstein is hosting another meeting, this time with Rep. Marcy Kaptur on Thursday, January 25, 2024, from 9:00-10:00 AM Central Time via Microsoft Teams. She will be taking Q&A on "Freedom Means Never Surrender."
- Zbyszek, after including all suggestions to the WWII Commemoration and Compensation Resolution, sent it to several interested people from the PACT group.

We talked about:

- Dr. Gene made a few minor corrections to the draft WWII Commemoration and Compensation Resolution, which Andrzej immediately implemented.
- The Polish Club at UT and its extremely consistent activities. No other Polish American organization can compare with them.
- The importance of educating young people especially in Poland and around the world. This is necessary to build a civil state. Szymon suggested that instead of developing close relationships with American legislators, we should devote our time and energy to this project. Dr. Gene rightly described what needs to be done: teach a critical thinking. However, no one had any idea how to do it.
- Situation in Poland after a new government of Donald Tusk took over.

What was decided:

- Everyone who can should contact their congressional representative's office and schedule a meeting with the legislative team re the Compensation Resolution.
- Dr. Gene will attempt to attend a WEP/GPO Task Force meeting on Monday.
- Dr. Gene will meet with his Representative, Abigail Spanberger, in January and ask her to sponsor the Compensation Resolution. She is a Democrat who prides herself as being the most bipartisan Democrat in the House of Representatives.

Next meeting: PACT24 > Thursday, January 11, 2024, at 3 PM EST via Skype
AGENDA: current events + this report will be read and commented on

What has happened since our last meeting?

- Dr. Gene submitted question for Marcy Kaptur (as Jonathan Silverstein had asked to do before the meeting with her) whether she was going to support the Compensation Resolution now (she promised to get involved after the election in Poland). This is in reference of the meeting with the Congresswoman on January 25 organized by the Polish Club at UT. Zbyszek wonders if Jonathan will present Gene's question, because questions are screened beforehand (once Zbyszek's question was omitted, because "did not fit").
- Andrzej at his PAC -New Jersey Division meeting reminded to contact legislators from Ways & Means re WEP as Gene had requested.
- Zbyszek called Andrew Garbarino's Long Island office re the Compensation Resolution and was directed to call his DC office and contact Mr. Garbarino's legislative team directly. Zbyszek followed the advice and received an email to the head of the Legislative Team Kevin.Ganon@mail.house.gov
- Andrzej spoke at the Katyn Monument last Sunday during a demonstration (~100 people showed up) against the unconstitutional behavior of the new Polish government.
- John Czap informed Zbyszek that Lech Walesa was invited by the organizers of the 60 Million event which will take place in February in Miami. This is an expensive event for the participants, Halina recalled when she was there with Zbyszek last year.
- Arkadiusz Mularczyk, head of the reparations team, told PAP (Polish Press Agency) that he will soon submit a draft resolution to the Sejm where "We will call on the government to take action during this parliamentary term on the international forum to seek war reparations from Germany."

We talked about:

- Dr. Gene introduced us to a new Alert on HR.82 and its Senate version S.597. Currently, 50 senators are co-sponsors, and an additional 11 are needed.
- Should we wait until we hear a clear statement from the new Polish government on compensation for Poland for WWII? Ryszard noted that the issue of reparations is perceived negatively by legislators and gave the example of African-Americans seeking compensation for slavery in California. Zbyszek saw no connection or comparison with the Polish case. Dr. Gene: PASI has decided to wait until the reaction of the new Polish government is known.
- The report from the last meeting was read.
- Films about Poland available on the Netflix were discussed by Jola and Dr. Gene.

What was decided:

- Dr. Gene asked us to join the Call to Action: The National WEP/GPO Repeal Task Force is launching our 2024 campaign next week on 16 January to press 10 targeted House members and 10 targeted Senate members to advance H.R. 82 and S. 597. Details in Gene's email or please contact him or Zbyszek directly.
- Dr. Gene will NOT meet with his Representative, Abigail Spanberger until he receives the green light from PASI which is awaiting plans of the new Polish government re compensations for WWII.

<https://www.vance.senate.gov/press-releases/senator-vance-slams-biden-administrations-silence-on-polish-government-attacks-on-press-freedom/>

We talked about:

- Dr. Gene asked us to continue the campaign to put pressure on 10 members of Ways & Means Committee and Senators for the next 3 weeks. It is not too late to get involved in this project and encourage your friends to join.
- Andrzej and Ryszard summarized the last meeting organized by Kuzma. Tim agreed with Bozena, Mark and Michael that PAC should remain impartial re recent events in Poland. Other speakers were against it. Ryszard was not allowed to present the PAC-LI statement regarding the behavior of new Prime Minister, Donald Tusk.
- 60 Million Congress in Miami. Last year's participants shared their opinions. Participation in the event is very expensive. There is no follow-up to decisions made a year ago. This event does not serve Polonia or Poland in any way. It is about showing off. <https://60mln.pl/en>
- The report from the last meeting was read.
- We sang a Polish birthday song for Ryszard, who will turn 93 on Saturday, wishing him to be active, have good humor and health until he is at least 120 years old.

- PAC-LI will defer sending the proposed Commemoration-Compensation Resolution and related documents to Rep. Andrew Garbarino.
- Zbyszek: Mr. Kuzma should be informed that PAC-LI was shocked and does not appreciate the way its President was treated during the last PAC meeting on Jan. 17.
- Jola suggested contacting the candidate for Congress in Toledo, Ohio.

The elections are coming and we can mention it to her. Dr. Gene and Zbyszek: we could use some of her wordings in the Resolution. A close alliance between Poland

PACT'24 – Meeting #8 Wednesday, March 14, 2024 3 – 6:02 PM EST

Participants:

Andrzej, Edmund, Gienek, Halina, Jacek, Jola, Jurek B., Szymon, Tomek, Zbyszek.

What has happened since our last meeting?

- Jacek helped Luis Brusa with translation in D.C. while meeting the authors of a book about the temperament (it took over 2 hours) at the Catholic information Center.
- Meetings: Tuesday, presidents and reps of PAC divisions via Zoom (organizer, Zbyszek) + about the results of research on the promotion of Poland abroad at the Consulate in New York (Halina participated),
Wednesday, with the President of Leader 100 (organizer Andrzej and Zbyszek)
- Frank Spula, President of PAC and Leszek Pawlik, President of CPA signed a joint letter on Ukraine.

We talked about:

- Why is there is an atmosphere in Poland of preparation for war, as Edmund informed us. Two possibilities were presented: according to Zbyszek, because Ukraine is falling, and according to Jola, that Tusk's government is distracting attention from the changes introduced by politicians.
- What was the real reason for inviting President Duda and PM Tusk to the White House on the 25th anniversary of Poland's accession to NATO. Gienek suspected that "nuclear sharing" was discussed behind closed doors.
- Meeting of 12 presidents and reps of PAC divisions on Tuesday at 8:30 PM. The main goal was to present a proposal for divisional dues that would be acceptable to the majority. Zbyszek suggested starting negotiations with the EC by offering 10%. There were also proposals of 20% and 30%. Most participants preferred to wait until the EC announces the budget for 2024.
- Meeting with Luis Brusa, President of Leader 100 on Wednesday at 7:30 PM. Luis comes from Argentina and moved to Poland because he got a good job offer there. He is a broker and learned Polish in 2 years. He is a member of Opus Dei. Through Zoom Luis presented a method of teaching children 100 + skills and values to 11 teachers of Polish Saturday Schools. He emphasized the importance of parental involvement. The program is currently used by over 350 schools, including 200 in Poland and the rest in Spain and south American countries. The program is available in Polish, Spanish, Catalanian, Portuguese and is prepared in English. Initially, 30 education specialists worked on it for a year and a half. Currently, 10 people are involved in its improvement, mostly par-time. Not only schools but also individuals can apply for access.
- PAC Financial Statement was sent to Ryszard for 2022 and 23 after the intervention of Zbyszek and Dr. Pienkos. Ms. Jaminska's comment was surprising: zk is no longer ND, so he should not ask for it.
- The PASI letter on Ukraine was criticized by all but one person.
- Responsibilities of the National Executive Council. We read the PAC By-laws.
- Youth education.
- Report from the last meeting was read and discussed.

What was decided:

- Gienek proposed shortening our meetings to an hour and starting them by reading the report from the previous meeting. This will require returning to using the pipe.
- PAC divisions should wait with paying dues until the budget is presented by the EC and the dues voted on by the National Executive Council.
- An additional meeting with Luis should be arranged.

Next meeting: PACT'24 > Thursday, March 21, 2024, at 3 PM EST via Skype

PACT'24 – Meeting #9
Thursday, March 21, 2024 3 – 5:07 PM EST

Participants: Andrzej, Edmund, Gene, Gienek, Halina, Jacek, Jola, Ryszard, Szymon, Ursula, Wojtek, Zbyszek.

We welcomed a new participant: Ursula.

What has happened since our last meeting?

- Jola was elected President of the PAC Michigan division. She has plans to increase membership to 100 people and wants to decide what to do with their building.

We talked about:

- The report from the last meeting was read and commented on.
- Progress on the WEP/GPO repeal project. Dr. Gene reported that the “natives” were becoming restless because they had not seen any action to advance the bill to the markup session. Gienek informed us that currently the bill is supported by 307 members of the House and 53 Senators.
- “Flavor of Poland”, series II. Krzysiek reminded us that we need to reach out to marketing specialists. Halina’s explained what she experienced and what could really work was simply personal contacts.
- An educational program for teaching values and skills to students prepared by Leader 100. Krzysiek: we have very limited time and resources and we have plenty of other projects. He argued that it would distract us from important projects. He very strongly opposed against getting involved in helping spread info about the Leader 100 program. Andrzej agreed with him. Zbyszek was of the opposite opinion, he saw a great opportunity in preparing young generation for adult life offered by this program. In his experience, it would take very little time and effort to advertise this to teachers.
- PASI Statement on Ukraine. Wojtek offered to answer questions. Zbyszek wanted to know what the purpose of writing this letter was and what Wojtek’s idea was to end the war in Ukraine. Instead of answering, Wojtek said there were too many emotions around these topics and instead offered to organize an educational meeting. Several meeting participants expressed interest.
- Resolution regarding Compensation. Participants were against resuming this project for the reason: that the new Polish government is not interested in obtaining compensation from Germany. According to Zbyszek this issue was still fresh since its global introduction last year by PiS. Therefore, we should not worry so much about the attitude of Tusk’s government. Keeping this issue alive would be a strategic move.
- The list of proposed projects that our PACT group could get involved was read.

What was decided:

- Zbyszek encouraged everyone who knows teachers, especially teachers of Polish Saturday Schools, to inform them about advantages of the Leader 100 educational program and explain how to obtain these programs.
- Wojtek invited everyone interested in educating “themselves”. The meeting will be held via Zoom on Sunday, April 7 at 8 PM EST. Andrzej, Jola, Krzysiek, Ryszard, Ursula and Gienek expressed their interest.
- It was repeated that the EC should be informed about what the Presidents of divisions expect: no dues will be paid until the budget is presented by the EC and the dues are voted by the National Executive Council.

IOM'24 – Meeting #4

Wednesday, April 3, 2024 8 – 9:21 PM EST

Participants of part I: Andrzej, Dr. Gene, Gienek, Halina, Jola, Ryszard, Zbyszek.

We had two meetings that evening. After officially closing one and some people disconnecting (including me) the latecomers initiated another meeting. Dr. Andrzej presented the extraordinary achievements of the late Gordon Black. He introduced Poland's genocide during WW II into the California curriculum, followed Jan Gross on the Jedwabne case and managed to successfully confront him. His last project was an attempt to introduce to schools the first strike on the American soil by the Poles in Jamestown in 1619. There was a discussion about Ukraine, the political involvement of Polonia, 80th anniversary of the PAC, the fight to repeal WEP/GPO, the court case re Katyń Monument in Jersey City and Gaza. The meeting ended after 11 pm.

Participants of part II: Andrzej, Dr. Andrzej, Jola, Jurek B., Wojtek J., Tomek, Zbyszek.

Report from meeting that ended at 9: 21:

What has happened since our last meeting?

- We did not have our meeting during Holy Week because I was asked not to hold it.
- Dr. Gene told us about various organizations planning meeting with Reps Abigail Spanberger (D) and Garret Graves (R) re the repeal of WEP/GPO on April 9. The main goal is to find ways to gain more supporters of their bill.
- Tomek was nominated to be a member of the Eastern European Committee appointed by the Governor of Ohio. Everyone should congratulate Tomek on this distinction.

We talked about:

- The report from the last meeting was read and commented on.
- Progress on the WEP/GPO repeal project. Dr. Gene filled us in on the situation. He and Gienek agreed that WEP is unfair and wrong. Zbyszek wondered why legislators were reluctant to repeal this law. Apparently, everyone is waiting for Rep. Jason Smith of the Ways & Means Committee to give the green light. Dr. Gene: there is a danger from other proposed bills that are not as good as H.R.82, so we must continue to work to convince undecided lawmakers to support H.R.82.
- Compensation for WWII. Despite the cold approach of current Polish politicians, Polonia should not give up on this matter. This may actually help change politicians' position.
- Projects that organizations are working on. Gienek: PAC Missouri is waiting for the Polish government's response re Pulaski monument in St. Luis. Dr. Gene: PASI EDU is working to incorporate Poland's role in WWII into school curricula in Virginia schools. Andrzej: PAC NJ is involved in the ceremony of erecting the Solidarity Monument in Doylestown. They want to invite former President Trump.
- How to reach Leader 100 programs – explained Zbyszek

What was decided:

- Zbyszek encouraged the dissemination of info about educational programs prepared by Leader 100 and about a brochure about Poland available on the PAC-LI website.
- Zbyszek reminded that everyone interested in working on the Polish version of the brochure is welcome.
- The search for professional fundraisers for "Flavor of Poland II" should continue.

Next meeting: PACT'24 > Thursday, April 11, 2024, at 3 PM EST via Skype
AGENDA: this report will be read and commented on first + current events

zk 4/7/24

Participants: Andrzej, Dr. Andrzej, Dr. Gene, Gienek, Halina, Ryszard, Zbyszek.

What has happened since our last meeting?

- Dr. Gene told us about the April 9 meeting with Reps Abigail Spanberger (D) and Garret Graves (R) re the WEP/GPO repeal.
- PAC President Frank Spula announced that the next meeting of National Executive Council via Zoom will be held on April 17.
- Andrzej prepared the invitation for former President Trump to participate in the unveiling the Solidarity monument in Doylestown.

We talked about:

- The report from the last meeting was read and commented on.
- Organizational taxes, filing form 990-N. Zbyszek tried unsuccessfully at the meeting to show how this could be done. Apparently, the IRS made it much more difficult (below).
- Other proposed bills besides H.R.82 that are not good for us, but they may be considered by legislators (ideas of Democratic Reps. Steve Larson and Richard Neal)
- About the bust of General Pulaski in Saint Luis. Gienek: it will cost \$25 k and the plinth will cost another \$6 k and it is Polonia responsibility to collect it. The plan is to unveil the statute in September. PAC-Missouri is waiting for a response of Polish officials.
- Progress of work on the Brochure about Poland, Polish version. Instead of "Contributions of Polish Americans" Zbyszek suggested preparing a column about "The Fall of Poland and the Fight for Freedom". Another option would be "Poles' Contribution to World Civilization".
- Compensation for WWII. Dr. Gene suggested contacting Rep. Tom Suozzi. In Andrzej's opinion we should do what we think is right and not worry about the attitude of current Polish politicians. Everyone agreed with him.
- Exchange of emails/opinions on the latest PASI letter on Ukraine.
- Memories from the XVIII century, which increasingly reflect today's situation in Poland.
- George Kennan, writer and diplomat, Dr. Andrzej suggested reading his works: <https://www.britannica.com/biography/George-F-Kennan>

What was decided:

- We should continue email legislators about WEP/GPO. On the PASI website, in the ACTION tab, there are ready made letters that can be sent automatically after completing two fields: one for our name and the other for the email address.
- Zbyszek will send instructions on how to file Form 990-N.
- Zbyszek will send a test balloon to Rep. Suozzi re Resolution on Compensation.
- Dr. Andrzej will send a curriculum that has been approved by the California Board of Education re the Polish genocide during WWII. This may help Dr. Gene in his attempt to do the same in Virginia schools.

PACT'24 – Meeting #11

Thursday, April 18, 2024 3 – 4:18 PM EST

Participants: Andrzej, Dr. Andrzej, Gienek, Halina, Jacek, Jola, Jurek B., Szymon, Zbyszek.

What has happened since our last meeting?

- The PAC-LI elections were held on Saturday, April 13 at 4 PM. There were no candidates, the current Board was accepted to continue the work.
- Zbyszek took part in the webinar “Weimar Triangle: Europe’s New Engine” on Monday, April 15 at 2 PM. Speakers: Paweł Kowal, Chair of the Foreign Affairs Committee, Sejm of the Republic of Poland; Natalia Pouzyreff, Member of the National Assembly, Committee of the Defense and Armed Forces, France, and Norbert Röttgen, Member of Bundestag, Chair of the Foreign Affairs Committee (2014-2019) www.wilsoncenter.org/event/weimar-triangle..
- Gienek, Zbyszek participated in the Social Security Sub-Committee hearing on the WEP/GPO repeal via Zoom at 3 PM on Tuesday, April 16.
- Andrzej, Jola, Ryszard, Zbyszek participated in the meeting of the National Executive Council via Zoom which took place on Wednesday April 17 at 8 PM.
- President Trump met with President Duda on Wed. at Trump's Tower for 2 hours.
- Dr. Andrzej sent an interesting summary of Gordon Black's life.

We talked about:

- The report from the last meeting was read and commented on.
- Last evening meeting of the National Executive Council via Zoom. Everyone agreed that these meetings should be recorded and reports written. 9 offices and 6 presidents took part in it. National Director dues were reduced from \$300 to \$200. According to Spula's proposal, the 80% dues from divisions was reduced to 60%. All 9 EC officers present, as well as Kaminski and Kocur voted in favor. Andrzej and Tomek K. were against, Jola and Ryszard abstained from voting. PAC members may feel cheated, because when EC officers have a majority, they can easily impose their will on others.
- How to fill out 990-N for non-profit organizations (explained by Zbyszek).
- Hearing held by the Sub-Committee on Social Security on WEP/GPO repeal. Listeners were surprised that the “experts” were against repeal. Gienek explained to us that it was precisely such Republican experts who created this system. There is already a system that reduces the pension amount for people working less than 35 years, because no matter how many years someone has worked, his contributions will be divided by 35. And thus, WEP is a double reduction of Soc. Sec. Many immigrants do not know about how WEP will affect their retirement. It seems that only Poles are aware of the problems posed by WEP.
- Drinking tea and the possible effects.
- Erecting the bust of Gen. Pulaski in St Louis. Gene: it looks like there will be a time slip due to the change of government in Poland. Who will donate \$6k for a pedestal?
- Communication with Rep. Suozzi - an example of how this can be done .
- Webinar organized by Wilson Center.

What was decided:

- To prepare questions for the Executive Committee. This will require to organize a meeting of Division Presidents. We need at least 12 divisions to agree to cooperate.
- Dr. Andrzej suggested going to the website of the Board of Education in California and finding info about the Polish genocide during WWII.

Next meeting: PACT'24 > Thursday, April 25, 2024, at 8 PM EST (as I was asked)

AGENDA: this report will be read and commented on first + current events

zk 4/23/24

Our first-time participant, Janusz Kocur, President of PAC Connecticut at the end of the meeting was asked how he liked it. In his opinion, our meeting was disorganized and full of bs's (Tomek quickly translated this abbreviation as "Brainstorming's").

What has happened since our last meeting?

- PAC-LI invited Polonia to a meeting and lecture at the Polish American Museum in Port Washington on Sunday, April 21. Lecture title: POLISH-AMERICAN RELATIONS AND THE ROLE OF POLONIA. - Income 0 and its impact on retirement. Gienek refreshed our memory about it. WEP unethically raises additional funds for Soc. Sec. Legislators do not want to give up on it. FICA tax is levied on people earning up to \$160 200 and for earnings above this amount, FICA is not increased. Changing this policy could substitute income from WEP.
- Gordon Black and his fight for justice in the Jedwabne case (Dr. Andrzej). Halina informed that for those interested she has the books "Anatomia kłamstwa". Halina offered for those interested a book "Anatomia kłamstwa" by Dr. Ewa Kurek.

On this occasion, Dr. Andrzej told us about the fight against defamation by Polonia in California which preceded the preparation of the curriculum. He mentioned two important surnames Zawadzki and Polak.

- To date, there has been no response to Andrzej's e-mail to the Executive Committee posted on ND_Forum informing and suggesting a reaction to the press conference at Columbia University in which former Rep. Ted Deutch said that 90% of Jews were killed in Poland. And Rep. Mike Lowler (R, dist.#17, NY) added that demonstrators wanted to send Jews to Poland because they were murdered there.

On Friday, Halina and Zbyszek went to Our Lady of Poland in South Hampton (the round trip took almost 5 hours). On Sunday, PAC-LI members participated in the Academy at the Polish American Home in Glen Cove (the mayor of the town spoke). Jola: on Thursday, at the Consulate in Chicago, Paweł Zyzak announced his return to Poland in June. Jola's husband took photo with Antoni Macierewicz and got his phone No. Jola was impressed by the Sunday event organized by Ania Bankowski at the Church in Orchard Lake. Children from 2 schools performed. Dr. Andrzej: the first Sunday in May there is Polish Day in the Golden Gate Park, which is larger and nicer than Central Park. There was a 2-hour concert where also the Park Orchestra took part. Mostly Americans participate in this May 3rd celebration. At a nearby restaurant, PAC-California offered Polonia a glass of wine. Since 1951, the event has been organized by local PAC division and the folklore group "Łowiczanie". The patronage was taken by Tad Taube, Honorary Consul (he left Kraków as 5-year boy before WWII). - Lack of goals in the PAC mission to build political structures (Jola, Krzysiek).
- A right-wing patriotic coalition without PiS is being born in Poland (Gienek).

What was decided, what is planned:

- We should go to <https://joinpasi.org/> on May 14 and 16 and select those dates in ACTION and click on them at the appropriate time to automatically send emails.
- Tim's monthly Zoom meeting will most likely take place on Tuesday.
- It would be best if Ryszard or Halina sent the letter to the EC re dues.
- American politicians should be warned about the upcoming EU referendum.
- In Poland raising awareness would be the best way to avoid disaster. Depends on questions, not taking part in the referendum could be the best way to kill it.

Participants: Andrzej, Dr. Andrzej, Gienek, Halina, Jacek, Janusz, Jurek, Zbyszek.

What has happened since our last meeting?

- Dr. Mark Pienkos, Vice President of PAC went with his wife Anna to Washington DC to distribute to Senators a brochure, he had prepared on the occasion of 80th Anniversary of the PAC and a booklet "Do you know Poland?", prepared by the PAC-Wisconsin.
- Andrzej explained what he learned about the letter to President Duda regarding curriculum changes in Polish and Polonia Schools.
- There is still no response from the EC to the letter sent by Ryszard regarding dues.
- Andrzej still has not received a response from the EC or any ND regarding Reps slandering Poland (that Jews were killed in Poland) which he sent to ND_Forum.
- Tomek did not send us, as promised, a Ukrainian leaflet to help voters make their decisions. The leaflet describes how easy it is to communicate with a specific candidate, presents his program and achievements.
- On Saturday, June 8, Polonia will be able to choose a parliamentarian from the Warsaw district who will represent Poland in European Union.
- Andrzej has a document from Anna Dobrowolska (from a Polish organization) proposing changes in Polish Schools but not yet in Polonia schools.

We talked about:

- Report from the last meeting was read, commented on.
- Today's WEP/ GPO action consisting of sending e-mails to 8 Senators.
- EU Parliament elections. Andrzej found a link about voting places and how to register: <https://ewybory.msz.gov.pl/> 15 voting places in the US. Jurek: it is very important to have patriots representing Poland. The future of Poland depends on who we choose.
- This year marks the 80th anniversaries of Battle of Monte Cassino, the landing in Normandy and the Warsaw Uprising. Also, the 85th Anniversary of the start of WWII.
- Today (the last Thursday of May) the Catholic Church celebrates Corpus Christi. Street processions visit 4 altars (in honor of the 4 Apostoles, authors of the Holy Bible).
- Brochure about Poland. Andrzej asked the student (to whom he gave the brochure) if he had heard any of this info or had heard in a different way. He waits for his answer.
- Swedish deluge. Dr. Andrzej: the losses exceeded the losses that Poland suffered during WWI and WWII combined. This is considered the first attempt at partition.
- Halina's findings: Polish human losses in WWI 1,130 k (the US 116 k). WWII: Poland 6 million (the US 418 k). The US in the Korean War 36,6 k, in the Vietnam War 58,5 k.
- The PAC collected \$300 k in one weekend for Ukraine. So far, they have not collected a penny for "Flavor of Poland" thanks to which just for \$50 k millions of Americans could learn about the activities of the Polish American Congress on its 80th Anniversary.

Interesting:

during her recent visits to Israel, Nikki Haley signed an artillery shell: "FINISH THEM!" who American politicians are afraid of <https://www.youtube.com/watch?v=4Tt-o56oGKo>

What was decided:

- We are waiting for a document re changes in Polonia schools.
- Those who can should participate in EU Parliament elections, to show that we care.
- Zbyszek will scan and send everyone a brochure prepared by Dr. Mark Pienkos, commemorating the 80th Anniversary of the PAC.
- Zbyszek will find a link to a documentary presenting the achievements of PAC prepared on the occasion of its 70th Anniversary and send to us.
- We would like to receive a Ukrainian leaflet from Tomek that helps voters.
