## **Vice President for American Affairs**

### **Legislative Alert**

**December 18, 2019**

**All 19 States in which we have Divisions of the Polish American Congress (AZ, CA, CT, DE, FL, IL, IN, MA, MD, MI, MO, NH, NJ, NY, OH, PA, RI, VA and WI) and in TX where we are developing a cadre of individual members are asked to participate from this point on in lobbying their members of the House of Representatives, 116<sup>th</sup> United States Congress, for signing on as co-sponsors of: **H. Res. 672 (“Expressing support of the Three Seas Initiative in its efforts to increase energy independence and infrastructure connectivity thereby strengthening the United States and European national security.”)****

**It is indeed a rare moment in today’s fractured United States Congress when a Democrat, Marcy Kaptur (D-OH) and a Republican, Adam Kinzinger (R-IL), refuse to accede to the contrary designs of Russia’s Vladimir Putin by co-sponsoring this legislation – known generally as**

**the “Three Seas Initiative” -- to provide energy security for the East Central European nations either bordering, or within the zone of, the Baltic, Black and Adriatic Seas, **POLAND** included, as described by the press release issued by Kaptur and Kinzinger on October 31, 2019:**

**Washington, D.C.** — Today, Representatives Marcy Kaptur (D-OH) and Adam Kinzinger (R-IL) introduced a bipartisan resolution in support of the **Three Seas Initiative (3SI)**, a strategic partnership of twelve Central and Eastern European nations with the shared goal to foster energy autonomy and resilience through collective financing of new infrastructure projects, increasing connectivity between the Adriatic, Baltic, and Black Seas, and reducing their reliance on Russia for their energy needs.

Three Seas Initiative Membership includes: **Austria, Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Poland, Romania, Slovakia, and Slovenia.**

“For years, Russia has undermined security in Europe by coercing European nations into reliance on Russia for their energy needs, including through the Nord Stream II and Turk Stream pipelines,” said **Rep. Kaptur**. “Thankfully, twelve of our close allies in Central and Eastern Europe have banded together to increase their energy autonomy through collective financing of energy infrastructure projects: The Three Sea’s Initiative. This resolution makes clear America’s strong support for the Initiative and it encourages the member nations to consider financing of clean energy projects as the world addresses dire climate change crises. Now that Danish authorities have approved the Nord Stream II pipeline, we must now act swiftly to boost the energy security of our European allies by passing this critical legislation as well as sanctioning the pipeline. I wish to thank my colleague, Representative Adam Kinzinger for his critical leadership, and efforts to strengthen the transatlantic relationship through this bill.”

“Russia has long used energy as a weapon to coerce and manipulate our European allies,” said **Congressman Kinzinger**. “As American energy production continues to rise, we have an opportunity to support our allies in Central and Eastern Europe with an alternative. The Three Seas Initiative will bolster energy independence and infrastructure security in the region, and further show U.S. support in the face of increased Russian and Chinese influence over these countries. I’m proud to introduce this resolution with my colleague, Representative Marcy Kaptur, and applaud her commitment to helping our allies with clean energy projects as we push back on the power grabs by Putin.”

**I ask each Division, along with Texas, to engage in an on-going telephone lobbying campaign to the place of business of their Congressmen/women (i.e., Capitol Hill in Washington, DC) beginning today.**

**The substance of the call should be as follows:**

Hello,

My name is \_\_\_\_\_, an informed American of Polish descent who resides at \_\_\_\_\_, thus making me a voting constituent of **Representative** \_\_\_\_\_. I am asking him / her to become a co-sponsor of House Resolution 672 that is generally known as the “Three Seas Initiative” which seeks to strengthen energy security, among other matters, from Russian dominance, control and threat over the twelve European Union nations bordering, or included in the region of, the Baltic, Adriatic and Black Seas, now constituting the basis of the Three Seas Initiative: they are Austria, Bulgaria, Croatia, the Czech Republic, Estonia, Hungary, Latvia, Lithuania, **Poland**, Romania, Slovakia, and Slovenia, none of which want to revert to the Cold War era of Soviet Russian-imposed political, military, economic and social control of what had been the sad reality of East Central Europe from 1945 to 1989.

Today, Putin’s Russian Federation not only hopes to see this House Resolution 672 legislation fail, but likely will also exercise every subversive activity on the soil of the United States via social media and cyber-warfare to guarantee its failure.

I hope that Representative \_\_\_\_\_ understands this ever-looming Russian threat to the energy security of the Three Seas Initiative nations, and decides to becoming a co-sponsor of House Resolution 672. I and other Polish Americans in our state will remember his/her support when we vote.

Thank you.

**For your convenience, I have included all the necessary information for making the phone calls below. Please note that the names of Representatives in our state Divisions and in Texas printed in bold red indicates that they have already signed on as co-sponsors in support of Representatives Kaptur and Kinzinger.**
